May 8th 2018

Since 2010, the Annual 4th of July fireworks display at Sugar House Park have been a privately funded and privately organized event. Those individuals have fulfilled the requirements, acquired permits, and raised the funds (through sponsors) for the event. As the event grows in popularity, more requirements and permits are necessary for it to be safe and successful. Those additional measures require more funds, time, and effort to coordinate each year. On several occasions in past years, the event has been on the verge of cancellation.

Due to cost and environmental concerns, the private organizer of the previous years' July 4<sup>th</sup> fireworks event has chosen not to put on the event this year.

No individual or group has come forward this year, and the time required to produce this event has passed. Without a private organizer and private funds, the July 4<sup>th</sup> fireworks show for 2018 will not take place.

Sincerely,
