## Athletic Fields Rules, Regulations and Reservation Request Form

The Sugar House Park Authority (the “Authority”) offers reserved use of the athletic fields in Sugar House Park (the “Park”) with the following regulations and fees. Reserved use of the athletic fields shall be secondary to the contractual obligations that the Authority has with the Salt Lake City School District. To avoid potential conflict, pavilions adjacent to a field may be required to be included in reservations.

The Authority reserves the right to limit or prohibit use of any field or area when the Authority, in its discretion, determines:

1. weather conditions create a situation in which use of the field may damage the field;
2. the area is over-used or in need of repair;
3. conflicting uses exist; or
4. it is in the best interest of the Park and its patrons, as deemed appropriate by the Authority or its authorized designee.

Among the criteria to be considered in granting reservations are the following:

1. timeliness of application;
2. availability of field space and time slots;
3. field condition as determined by the Authority or its authorized designee;
4. proposed use schedules;
5. the type of activity and likely effect on the field; and
6. potential interference with the public ability to use and enjoy the Park.

The following fields in the park are available for reserved use (see map):

1. Soccer/lacrosse field
2. Southeast field
3. East Hill field (east of the backstop)
4. Baseball diamond/backstop field
5. Basketball courts
6. Sugar House Garden Center lawn
7. Sugar House Park trails
8. Sugar House Park cross country course
9. Other: \_\_\_\_\_

**All fields are open to the public unless there is a reservation permit issued. No party can inhibit another party from using a field unless they have a permit.**
